

Write on the notecards...

- Your name as you'd like me to call you in class.
- Your department and stage in your program
- Anything else you'd like me know that I don't know already (e.g., your preferred pronouns, accommodations for the class)

Go around and tell us...

- Name, department, preferred pronouns
- Provide a 1-minute version of your research interests methodology background.
- What are you hoping to get out of this class?
